WE THINK IT'S BULLSHIT. HERE'S WHY.

Just in case you missed it:

There comes a time in most businesses lives where they have to consider what they say and how they say it. Call it PR, call it sensitivity, but we get it. As long as it's by **choice.**

Unfortunately, sometimes it's not by choice. We're so passionate about free speech that we've decided to put our thoughts onto the short video below.
